RE: Boller v. Taylor
No. 9362

Dear Eunice:

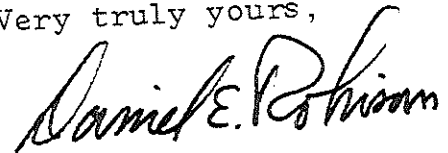

We have gotten a judgment on the above Defendant some time ago. On December 9, 1971, we sent a letter to the Sheriff's Office, requesting a notice of levy, and giving a legal description of the real estate on which we wished a levy to be taken.

The next day Mr. Byrd replied that if we had information on the property, and wanted to have the Clerk issue an alias execution against the Defendant, then they would be happy to levy. I then sent another letter back to Mr. Byrd giving the same description of property.

I believe I made a mistake and should have sent this description to you in order for you to order alias execution against the Defendant. If this is true, then please send this information through the proper channels so that we can receive a levy on the Defendant's property.

Eunice, we would also like to have this case continued on the docket until we can have some results on our levy of execution. It has been set for March 13.

Very truly yours,

COMPLAINT

TO THE HONORABLE TELFAIR J. MASHBURN, JUDGE OF SAID COURT:

COUNT ONE: The Plaintiff claims of the Defendant Four Hundred and no/100ths(\$400.00) Dollars due by promissory note made by the Defendant on the 17th day of March, 1969, and payable on the 20th day of June, 1969* with interest at the rate of eight per cent (8%) per annum from the due date. Plaintiff further avers that by the terms of said note Defendant waived and renounced any home-stead or exemption rights that he might have had by virtue of the Constitution of the State of Alabama, and any laws thereunder. Plaintiff further avers that by the terms of said note Defendant agreed to pay an attorney's fee in case of collection, and Plaintiff claims that the Court should name a reasonable attorney's fee.

COUNT TWO: The Plaintiff claims of the Defendant Eight Hundred and no/100ths(\$800.00) Dollars, damages for the breach of an agreement, entered into by him on the 28th day of February, 1969, in substance as follows: The Plaintiff, a commissioned agent of Texaco, Inc., agreed to advance the Defendant \$800.00, to be used by the Defendant for the construction of his proposed service station on U.S. Highway 98, in Daphne, Alabama. And the Defendant agreed to use this money for the construction of said station, and to sign a sales agreement with Texaco, Inc., and to purchase Texaco products through the Plaintiff. And the plaintiff says that, although he has complied with all its provisions on his part, the Defendant has failed to comply with the following, viz., he did not xuse the said \$800 for construction of the service station, and has in fact never constructed such a station, and has to date not purchased any Texaco products from the Plaintiff, and thus has damaged the Plaintiff in the amount of \$800.00.
