For Value Received. the undersigned, jointly and severally, promise to pay to the order of the Lender named above in its said office, the total amount due on the note as shown above, in the number of consecutive monthly installments as shown above, the first installment being payable in the amount and on the date shown above and the succeeding installments being payable in the amounts and on the dates as shown above, together with a final installment equal to any unpaid balance payable on the date as shown above. If this note is not paid at maturity, it shall thereafter bear interest at the highest lawful rate for written contracts.

All parties to this note, whether makers, co-makers, endorsers, sureties, or guarantors, severally waive demand, presentment, protest, notice of protest, suit and all other requirements necessary to hold them; and they agree that the time of payment may be extended without notice of such extension.

It is agreed and understood that if default is made in the payment of any one installment as the same shall become due and payable, the entire balance then remaining unpaid shall immediately become due and payable.

The makers and endorsers of this note agree to pay all costs of collection including a reasonable attorney's fee, whether incurred against one or more of said makers or endorsers in collecting or attempting to collect this note, and each hereby expressly waives as to this debt all of his rights to claim exemption under the Constitution and Laws of the State of Alabama or any other state in the United States.

If the Borrower refinances or prepays this Note, insurance refunds will be paid or credited to him in accordance with the terms of his insurance policies and a refund of the interest charge will be paid or credited to him in accordance with the accepted practice of calculating the same by the Rule of 78ths. The Rule of 78ths is the "sum of the digits" method, i.e., the amount of such refund shall represent at least as great a proportion of the interest charges as the sum of the periodic balances scheduled to follow the first scheduled payment after the date of prepayment, bears to the sum of all the periodic balances under the schedule of payments in the contract.

In consideration of the loan this day extended to us by the above lender, we hereby agree and authorize the said lender, its officers, agents, representatives and assigns, to communicate with us, or to any person, firm, corporation or governmental agency, by any known means of communication, for any purpose it might deem necessary in connection with or during the pendency of the loan this day extended, and do hereby waive any right we have to claim violation of our right of privacy by reason of such communication.
