Honorable Telfair J. Mashburn
Judge of the Circuit Court
Bay Minette, Alabama

Re: Deas Tire Company v.
Ralph E. Jaye d/b/a
Case No. 9662, At Law

Dear Judge Mashburn:

We request judgment by default in the above styled cause under Count One for \$813.58 principal, \$56.91 interest, and court costs, for a total of \$870.49; and, also, under Count Two for \$500.00 on the worthless check.

I feel that I should call to your attention that this complaint was sent to me by an attorney in Mobile, where they are evidently accustomed to taking one third as attorney's fee on promissory notes and bad checks, but I have called that attorney and advised him that the Court would set that fee and I am, therefore, requesting that you set the attorney's fee in this matter at whatever you customarily allow.

Respectfully,

Daniel A. Benton
