If the Collateral shall at any time become unsatisfactory to Payee, Maker shall promptly after demand pledge with Payee as part of the Collateral additional property which is satisfactory to Payee.

Upon the happening of any of the following events, each of which shall constitute a default hereunder, all liabilities of each Maker to Payee may be declared by Payee to be immediately due and payable: (a) failure of any Obligor (which term shall include each Maker, endorser, surety and guarantor of this note) to perform any agreement hereunder, to pay interest hereon when due, or pay any other liability whatsoever to Payee when due; (b) the death of any Obligor; (c) the filing of any petition under the Bankruptcy Act, or any similar Federal or State statute, by or against any Obligor; (d) an application for the appointment of a receiver for, the making of a general assignment for the benefit of creditors by, or the insolvency of any Obligor; (e) the entry of a judgment against any Obligor; (f) the issuing of any attachment or garnishment, or the filing of any lien, against any property of any Obligor; (g) the taking of possession of any substantial part of the property of any Obligor at the instance of any Governmental authority; or (h) the dissolution, merger, consolidation, or reorganization of any Maker.

Payee is hereby given a lien upon and a security interest in all property of each Maker now or at any time hereafter in the possession of Payee, including but not limited to any balance or share of any deposit, as security for the payment of this note, and a similar lien upon and security interest in all such property of each Maker as security for the payment of all other liabilities of each Maker to Payee; and Payee shall have the same rights as to such property as it has with respect to the Collateral.

Upon the occurrence of any default hereunder Payee shall have the right to take possession of the Collateral and to sell all or any part thereof upon any exchange or at public or private sale at the option of Payee at any time or times without advertisement or demand upon or notice to any Obligor (all of which are hereby waived), except such notice as is required by applicable statute and cannot be waived; with the right on the part of the Payee or its nominee to become the purchaser thereof at any such sale, free from any equity of redemption and from all other claims, and after deducting all legal and other expenses for maintaining or selling the Collateral and all reasonable attorneys' fees, legal or other expenses for collection, sale and delivery, to apply the residue of the proceeds of such sale or sales to pay (or to hold as a reserve against) this note and all other liabilities of each Maker to Payee.

Any failure by Payee to exercise any right hereunder shall not be construed as a waiver of the right to exercise the same or any other right at any other time and from time to time thereafter. Any notice to Maker shall be sufficiently served for all purposes if placed in the mail addressed to, or left upon the premises at, the address shown on Payee's records.

Each of the Obligors severally agrees: (a) to pay this note; (b) to pay interest thereon at the rate of eight per centum per annum, unless otherwise expressly stipulated herein, and that such interest may be collected by the payee or owner of the note discounting the same, or by the owner thereof collecting the interest at its maturity; (c) that, in all events, this note from the date of its maturity, shall bear interest at the rate of eight per centum per annum until paid.
