The first order of business was to set a recommendation from the Commissioners of a sale price for Parcels 7-19 and 7-20, which will be combined and sold as one parcel. Secretary McMillan pointed out that Mr. M. D. Bell, Sn. had appraised both parcels for a total of \$3,727.00 and that Mr. Cecil Golemon had appraised both parcels for a total of \$3,200.00. Secretary McMillan pointed out that this property is ideally located and some of the most desirable land in the whole community. As a result he recommended that the Commissioners set a price of \$3,725.00. Chairman Faulkner and Commissioner Nassar questioned Secretary McMillan about the possibility of selling the parcel for more. Secretary McMillan explained that based on the appraisals it would be difficult to justify selling the property for more. Commissioner Nassar offered a motion for the adoption of a price of \$3,725.00 which motion was seconded by Commissioner Page. Upon a roll call for vote all present voted "Aye". The Chairman thereupon declared said motion carried and said motion adopted.

Next on the agenda was the establishing of acquisition prices for the Douglasville and South Central Urban Renewal Areas. The Secretary told the Commissioners that we are now ready to start acquiring property and that the Commissioners needed to authorize the Executive Director to offer certain sums of money for property. He stated that appraisals of each parcel had been made for both areas. The Secretary and Mr. Wilbur Edwards from the Acquisition Department of Housing and Urban Development had inspected each property individually and discussed prices to be offered to the property owners. The Commissioners were shown a tabulation sheet of both areas. (See the attached list for the areas.) Commissioner Page introduced the following resolution, which was read in full and considered:

RESOLUTION 1970-10

BE IT RESOLVED that the Commissioners of the Housing Authority of the City of Bay Minette, Alabama finds, determines and declares that the acquisition of the lands listed on the attached real estate tabulation sheets and identified by parcel numbers which may further identified by the land ownership map of the Urban Renewal Plan, and is in the public interest and the acquisition is necessary for public use and for the uses and purposes set out in and authorized by the Code of Alabama of 1940 as amended, recompiled 1958 and as amended and by the provisions of Title 42, U.S.C.A. Section 1401-1435, and 1441-1460 as amended and other sections as made and provided, in connection with the execution of the Urban Renewal Program known as Neighborhood Development Program, Project Number Alabama A-1, according to the plan previously duly and legally adopted and approved by the Commissioners of the Housing Authority at a special meeting on October 16, 1968 and by the governing body of the City of Bay Minette, Alabama in regular session on October 15, 1968 and that the Executive Director is hereby authorized to acquire these properties, except parcels numbered 3-5A, 4-1A, 4-12, 4-13, 7-8 in the
