To the Honorable A. E. Gamble, Judge of said Court:

The petition of Margaret L. Hawkins, respectfully shows unto your Honor that she is the mother ~~and guardian~~ of Hugh Hawkins, who is a minor, over ~~the age of eighteen years~~; that said minor resides near Bay Minette, Baldwin County, Alabama, ^{and has no legal guardian}. That he is, for his age, of mature judgment and of sober and industrious habits; that he has recently come into possession of certain property, which he desires to sell, as the present income does not yield any thing for accumulation, and your petitioner believes this sale will be for his great advantage.

Wherefore, your petitioner prays your Honor to hear and determine the matter of her petition; and that in order to a complete consummation of the premises, your Honor will decree that the disabilities aforesaid, arising from the minority and non-age of the said Hugh Hawkins, be removed, and that said minor be vested with the right to contract, sue and be sued, to buy, sell and convey real estate, and to do and perform all acts which said minor could lawfully do on his becoming the age of twenty one years.
