RE: Helena Chemical Company vs.
Foster Aerial Applicators
Case No. 10217

Dear Mrs. Blackmon:

It is apparent in this case that the Defendant has defaulted and it would be appreciated if you could submit this matter to the Court on our behalf. We filed an itemized and verified statement of account with your office when we filed the Complaint, and as I compute it, the principle plus interest in this matter totals \$3,598.20.

When the Court has given us a judgement, it would be appreciated if you could prepare a certificate of judgement and have the same recorded in the Probate Office. I enclose our check, in blank, to cover any costs of the preparation of the certificate or the recording thereof. It would be appreciated if you could advise me as to the amount of the check so that we may keep our books in order.

Dear Sir:

Please dismiss the Motion for Disclosure of Assets without prejudice to the plaintiff. Mr. Wilson Hayes and I agreed last year that there was no need to have a hearing in this cause, since the defendant had no assets upon which the plaintiff could levy. Please send your cost bill to this firm.

Sincerely yours,

RE: Helena Chemical Co., S.E., Inc.,
a corporation vs.
Foster Aerial Applicators, Inc.,
a corporation
Case No. 10,217

Dear Mr. Hayes:

Your letter of November 2, 1972, to my client in this matter has been referred to me for reply. I wish to advise that the "adjustment" is merely a bookkeeping entry whereby my client's auditors require them to charge off debts as old as this from an accounting standpoint. It in no way reflects the liability of your client pursuant to our judgement obtained on March 20, 1972, in the sum of \$3,598.20. We certainly have no obligation to "adjust this matter" and it is not our intention to do so. In fact, by copy of this letter to Mrs. Blackmon, I am again requesting that execution be issued against your client for the full sum of the judgement plus interest. Additionally, it is my current intention to file a motion for discovery of assets in the near future. I hope this will not be necessary and that your client will make the necessary arrangements to pay our judgement.

Very truly yours,

MERRILL & HARRISON
