VS.
David Chambless Respondent
I,M. A. Stone.
as Register and Commissioner of the Circuit Court and Register in Chancery
have called and caused to come before meBessie Mae Chambless and Hilda Newling
Mrs. Grady Long,
witness es named in the requirement for Oral Examination, on the 15thay of February,
193_4, at the office of
in Bay Minette, , Alabama, and having first sworn said witness st to speak the
truth, the whole truth, and nothing but the truth, the saidBessie Mae Chambless,
doth depose and say as follows:

My name is Bessie Mae Chambless, the Complainant in this cause. I reside at Perdido, Alabama. I have lived been a bona fide citizen of Baldwin County, Alabama since 1904. The Respondent, David Chambless resides at Perdido, Alabama. The Respondent, David Chambless, and my self were legally married at Bay Minette, Alabama, April 5th, 1933, and we have lived together as husband and wife until August 18th, 1933, when we separated and we have not lived together since as husband and wife. The Respondent, David Chambless and my self are both over the age of 21 years, and both residing in Baldwin County, Alabama.

The Cause of our separation was cruelty on the markof the Respondent toward me and threats of personal violence to my person, and the adulterous conduct of said respondent. The reason I left the respondent was because that at 3 o' clock on Friday Morning of August the 15th, 1935 while I was up waiting on my sick mother, Mrs. J. Ol Lenoir, now deceased, I heard Hilda Nowling, scream in her room, one of the rooms of the same, house, where she slept, and who was at the time working for us as a household helper. I had to go through the respondents room, where he slept, to get to Hilda's Newling's room, where she slept. The Respondent, David Chambless, was not in his room, but he was in Hilda Nowling's room, where he had no business at that time of night, When I went to Hilda's room; I met David Chambless at the tion and ask him what he was doing in Hilda's room at that time of the night. He cursed me and said it was none of my business. Then I ask Hilda what he was doing and she said that someone had frightened her, and she said it was David Chambless, and that he had leaned over her and had put his hands on her while she was asleep. And David Chambless went through his room into the room where my mother was, which room is joining his room. Between Hilda's room and David Chambless's room is a small space, or entry, and before going back into his room he cheked me and cursed me. The Respondent said I suppose you will be going to Bay Minet e, and report me, but if you do, I will hurt you and hurt you bad. Then he went into my mother's room and I followed him. I lighted a lamp as soom as I went in he was nacked except for a blue serge street coap that came only

about to his hips. And shortely after this, the Respondent, David Chambless, left the premises and I didn't see him any more., until i was about to leave there, about three days later. Before this time Hilda Nowling begged me not to leave the house with her alone in it with him because he tried to fumble her with his hands and talk matter s with her that she didn't like. And the reason I left the respondent was not only on account of actual violence he did do my person by chokeing me but he made threads to me which made me apprehensive that he would commit further acts of violence to me and on another he had threateded me in the cow shed by trying to run a cow over me and said at the time that he was going to kill me. These threats were accompanied by acts of actual and the reasonable apprehension that he would commit acts of actual and that would endanger my life and health.

HILDA NOWLING

My name is Hilda Nowling. I was formerly Hilda Hicks before I married. I live , now, at DeFuniak Springs, Florida, but I formerly lived in Perdido, Alabama, in the house with Mr. and Mrs. David Chambless. When I lived there they lived together as husband and wife and were married. They are both over 21 years of age and are both residents of Baldwin County Alabama, and both reside at Perdido, Alabama, in daid county. I had been living with them about a month prior to August 18th, 1933. And I was there, living in the house, at this time, to-wit: August, 18, 1933. I saept in a room in the back part of the house. There was an entry, or passage way, between my room and the room where David Chambless slept. On the morning of August 18th, about 3 o'clock, in the night, while I was asleep in my bed, someone was leaning over me and placed their hand on my arm and it awoke me and I was sfightened and screamed, calling Mrs. Chambless. When I called Mrs. Chambless, the Respondent, David Chambless, told me to hush and be quite. When Mrs. Chambless came David Chambless met her in the entry between his room and my room where they had some struggle .. Mr. Chambless seemed to be chokeing her and she screamed. From there they left and I do not know any more about that. But before this time and on other occasions, David Chambless put his hands on me and tried to hug me up and play with me in ways I did not like and I told Mrs. Chambless about this. Before this he had treated his wife cruelly and I know this of my onw knowledge, cursed her and made threats of violence to her as to what he would do to her.
