**IMPORTANT INFORMATION  
PLEASE READ**

**CREDIT • ACCOUNT**

1. Your **FINANCE CHARGE** is computed at the following Periodic Rates: **1.75% (1.5% in Wisconsin)** per month on the portion of any unpaid account balance of **\$350** or less; (**\$500** in Wisconsin) (the minimum **FINANCE CHARGE** is **50 cents** for any balance under **\$28.85** — no minimum in Wisconsin) and **1%** per month on that portion of any unpaid account balance in excess of **\$350** (**\$500** in Wisconsin).

The **1.75% (1.5% in Wisconsin)** per month Periodic Rate is an **ANNUAL PERCENTAGE RATE** of **21% (18% in Wisconsin)** and the **1%** Periodic Rate is an **ANNUAL PERCENTAGE RATE** of **12%**. The "**FINANCE CHARGE**" will be computed on the amount appearing as the "Average Daily Balance" on your current monthly statement. The daily balance outstanding in your account is determined by deducting payments and credits from the previous day's ending balance and by adding charges and purchases, if any. (The "Average Daily Balance" is the sum of the outstanding daily balances in the account during the monthly billing cycle, divided by the number of days in the billing cycle. Length of billing cycles may vary. Unpaid **FINANCE CHARGES** shall be a part of the daily balances upon which the **FINANCE CHARGE** is computed.

2. If you have no "Previous Balance" no **FINANCE CHARGE** is

added to the first statement that you receive and by paying the full amount in the New Balance column by the date shown, you avoid payment of **FINANCE CHARGE**. If you have a Previous Balance you may avoid payment of an additional **FINANCE CHARGE** on balance by paying the full amount in the New Balance column by the date shown and subsequent purchases will be subject to a **FINANCE CHARGE** based on your Average Daily Balance. If you choose to make monthly payments—the minimum monthly payment is shown in the column "Monthly Payment Rate" and will remain at the highest amount required by your highest account balance provided in the current table of monthly payments until your account is paid in full. The Amount to Send column shows the amount to be paid by the date shown directly below and includes any payments which are "past due" from previous month. This is the "minimum amount" you should send if you choose to pay monthly.

3. **PLEASE DO NOT WRITE US**—the statement date is the date on which this statement was prepared. It is possible that a payment or other credit or a charge for an order mailed for processing up to **15** days prior to the date may not appear on this statement. This is due to mailing time or internal handling time—there is no need to write about it as the charge, credit or payment will appear on next month's statement.

4. **YOUR BILLING MEMO AND SALES SLIPS**—each time you order, return or exchange merchandise you will receive a billing memo showing charges or credits and a sales slip for each item. Please retain these papers so that you may compare the charges or credits with the amounts shown on your monthly statement.

5. **YOUR QUICK SERVICE NUMBER**—Look for it on the top and bottom of your statement. Always use your Quick Service Number:

- each time you write Aldens
- each time you make a payment without the bottom portion of your statement
- each time you order merchandise
- each time you exchange or return merchandise

If you change your name and address, your Quick Service Number will change. Your new number will appear on your next statement. Always use your Number—your reward will be the best and fastest service ever.

**KEEP THIS PART OF STATEMENT**

**ALDENS LOW MONTHLY PAYMENT TERMS**

**You Can Take Up To 2 Full Years To Pay**

You can increase the amount of your Buying Power\* whenever you are ready to buy more of the things you want and need at Aldens. See Terms Table below for how much more a given monthly payment buys—then send your order!

\* Subject to Aldens Credit Approval.

Your monthly payment of:	\$5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20
Can buy you up to:	\$110	140	170	190	210	240	270	290	310	340	365	390	415	440	470	500

Over \$500 the minimum monthly payment is increased by \$1.00 for each \$30.00 (or any part thereof) of additional credit.
