TO THE HONORABLE JOHN D. LEIGH, JUDGE OF THE CIRCUIT COURT OF
BALDWIN COUNTY, ALABAMA.

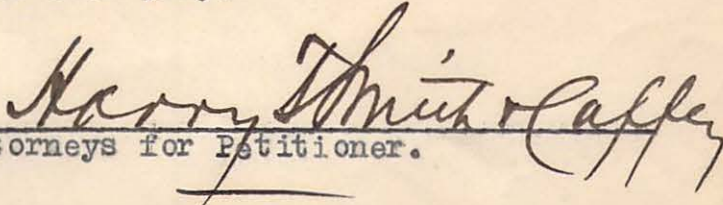

Your petitioner, Wall-Hay-Wall Lumber Company, Inc., a corporation organized under the laws of the State of Alabama, having its principal place of business in Mobile, Alabama, shows unto Your Honor that it owns a large tract of land in Baldwin County, Alabama, a more particular description of which is set forth as "EXHIBIT A", attached hereto and made a part hereof. Your petitioner further shows unto Your Honor that J. R. Hammet, Tax Adjuster for Baldwin County, Alabama, valued said property for assessment for \$191,213.00, and the Tax Assessor of Baldwin County, Alabama, gave your petitioner notice, on the first day of May, 1920, that the said property had been so valued, and that the County Tax Adjuster would be in his office at the Court House, at Bay Minette, Alabama, on Monday, June 7th to 19th, 1920, inclusive, to hear objections to said valuation and to correct any error therein.

Your petitioner further shows unto Your Honor that your petitioner appeared before the said Tax Adjuster on, to-wit, the 8th day of June, 1920, at his office in the Court House of Baldwin County, Alabama, and there made objection to the said valuation, and the said objection was then and there heard by the said Tax Adjuster and the said Tax Adjuster, after hearing the same, found the valuation placed on said property was 60% of the reasonable cash value thereof and declined to re-adjust said valuation or in any way to correct the same, and thereupon overruled the objection of your petitioner and did not note on the assessment list that your petitioner's objection was overruled; that your petitioner, acting through its attorney, then and there appealed from the original valuation made by said tax adjuster to the County Commissioners of

Baldwin County, Alabama, and notified the said Tax Adjuster of said appeal and requested him to certify said appeal to the County Commissioners, which he promised to do. Your petitioner further shows unto Your Honor that when the said County Commissioners of Baldwin County met on the 19th day of July, 1920, no certificate of said appeal had been made by the said Tax Adjuster and the said Board of County Commissioners, therefore, declined to take cognizance of the said appeal. Your petitioner thereupon made application to the State Tax Commission at Montgomery, Alabama, for an order requiring the said Tax Adjuster to certify said appeal to the said Board of County Commissioners of Baldwin County, Alabama, which said application was granted and which said notice was given by the State Tax Commission, but the said Tax Adjuster of Baldwin County declined to obey the instructions of the said State Tax Commission and notified your petitioner that his assessment for this year had been passed on and settled;

WHEREFORE your petitioner shows unto Your Honor that he has been unjustly and illegally denied his right of appeal from the said ruling of the said J. R. Hammet, Tax Adjuster of Baldwin County, to the County Commissioners of Baldwin County;

WHEREFORE he respectfully prays that a writ nisi may be issued to the said J. R. Hammet to appear before the Honorable Circuit Court of Baldwin County, Alabama, at such time and place as may be designated, in order to show cause why a writ of mandamus should not be issued to him, whereby he may be compelled to certify your petitioner's said appeal to the said Board of County Commissioners of Baldwin County, Alabama, and that your petitioner may have such other and further relief as he may be entitled to receive, the premises considered, as in duty bound it will ever pray.

Hon. T. W. Richerson,
Bay Minette, Alabama.

My dear Mr. Richerson:-

Your letter addressed to Messrs. Harry T. Smith and Caffey, together with the cost bill of Wall-Hay-Wall Lumber Co. versus J. R. Hammett for \$10.25, has been referred to me for attention. If you can cite me to any law that this tax bill should be paid by the plaintiff when the case was won by him, or without an order of the court so ordering the bill to be paid, I will have Wall-Hay-Wall to remit you promptly. I was present at this trial, and no such order was entered by the Judge that the plaintiff should pay the court cost.

Thanking you for your prompt and courteous attention to this inquiry, I am,

Yours very truly,

Hon. J. R. Hammett,
Tax Adjuster,
Bay Minette, Ala.

Dear Sir:-

Mr. J. Blocker Thornton of Mobile representing the Wall-Hay-Wall Lumber Company Inc., states to this Commission that when he was in your County, failing to agree with you on a tax valuation, that he notified you at the time that he would take an appeal and that he wrote notice of the appeal on either the tax assessment list or on some book or paper of yours and signed the same.

In the judgment of the Commission this is unquestionably legal notice of an appeal, and Mr. Thornton is entitled to have this case certified to the Commissioners' Court for a hearing. From what Mr. Thornton said, I inferred that you and the Commissioners' Court are of the opinion that an appeal must be taken by some sort of notice to the Court of County Commissioners'. An appeal could not be taken in this way. A notice to the Court of County Commissioners' would not be a legal notice of an appeal and would not require you to certify a case up for hearing. All notice of appeal must be give^{en} to the Adjuster, and any written notice to the Adjuster undoubtedly complies with all the law requires.

If Mr. Thornton's statement is in accordance with your understanding of the facts, it will be necessary for you to certify this case to the Commissioners' Court of your County, in order that it may be heard as provided by the law. When the case is so certified and set for hearing, Mr. Thornton should receive notice.

Yours very truly,

Dear Sir:-

I am in receipt of your letter of the 3rd inst. in reference to the Baldwin County assessment of the Wall-Hay-Wall Lumber Company, Inc.

On account of the great volume of work calling for urgent and immediate attention, I overlooked the matter of advising the Tax Adjuster of Baldwin County that you were entitled to have your case heard before the Court of County Commissioners'. I have today written Mr. Hammett the Tax Adjuster, and am enclosing you a copy of my letter.

I am sorry that I overlooked this matter if it has caused you any inconvenience, though, of course, the result is not altered by the delay.

Kindly advise me of your stand in the matter, either advising me that you refuse to entertain the appeal or that you will act in accordance with Mr. Mooring's instructions.

Hon. Roy Hammett,
Tax Adjuster, Baldwin Co.,
Bay Minette, Ala.

Dear Mr. Hammett:-

On June 11th last I appeared before you in response to written notice issued to Wall-Hay-Wall Lumber Co., Inc., in reference to the matter of their assessment. The matter was gone into and discussed as to the proper assessment. You over ruled my suggestions as to valuation. I told you then and there that I would take appeal; I asked you whether or not you had any forms or procedure for taking an appeal. You stated none whatever: "Enter your objections in this book and appeal will be granted you", and I complied with your suggestions.

The matter of assessing property before a county adjuster is the work of a layman; no formality, no proceeding in writing, or any act to taking appeal from your ruling is necessary, except that notice be given you within ten days after your over ruling the proposed assessment. This was done then and there, and written under your assessment "Objected and Protested", and I was much surprised to learn through Judge Voltz that you had failed to certify my appeal to the County Commissioners.

I have before me a copy of the letter written you by Hon. John S. Mooring. Kindly advise me by return mail whether or not you will certify the matter of appeal to your County Commissioners so that in case of your declination or refusal appropriate legal proceedings may be started.

I have no desire to litigate this matter and if it is feasible, or within your powers, to consider the proper assessment of this property, I will be glad to come before you with a complete estimate of this property procured during the months of June and July last, made by Messrs. Talley and Newbold. There are 1000 to 1500 acres in old fields without any timber at all thereon, and more than that area under water, of lakes and streams, as shown in the estimate and maps which I have had prepared for the appeal, which you assured me would be granted when I was before you on the 11th of June last.

If this privilege or hearing can be granted by you a true, accurate and correct assessment of this property can be arrived at.

Thanking you for your prompt attention to this matter, I am,

Yours very truly,
