Dear stockholder:

The Home Gardens Land Company having been dissolved by order of Court and I having been appointed Receiver to disburse the funds of said company, am sending you check for \$ 10.58, same being the amount due you on your preferred stock, which, under the charter of the company, is entitled to be paid in full before the common stock participates at all in the funds of the corporation.

There not being sufficient funds to pay the preferred stockholders in full, there is nothing to pay on the common stock.

The books show you hold 10 shares of preferred stock and the prorata amount for each share is \$1.058.

Yours truly,

Hulda M. Lawrence  
Receiver.
