<u>EARL BRYARS</u> <hr/> <u>Vs</u> <u>H. L. GREENE and MYRTLE</u> <u>DORIS HENDRIX</u>	<u>(Plaintiff)</u>  <u>(Defendant)</u>	<u>IN THE CIRCUIT COURT OF</u>  <u>BALDWIN COUNTY, ALABAMA</u>  <u>CASE NO. 2996</u>
---	--	--

**D E M U R R E R**

Come the defendant Myrtle Doris Hendrix and demur to each count of the complaint filed herein, separately and severally, and for grounds of demurrer set down and assigned separately and severally, the following:

1. That it does not state facts sufficient to constitute a cause of action.
2. For that negligence is therein alleged merely as a conclusion of the pleader.
3. For that it is vague, indefinite and uncertain, in that it does not apprise this defendant with sufficient certainty against what act or acts of negligence defendant is called on to defend.
4. For that it does not appear with sufficient certainty what duty, if any, defendant may have owed to the plaintiff.
5. For that it does not appear with sufficient certainty wherein defendant violated any duty it may have owed to the plaintiff.
6. For that it does not sufficiently appear that the defendant owed any duty to the plaintiff which defendant negligently failed to perform.
7. For that there does not appear sufficient causal connection between defendant's said breach of duty and plaintiff's injuries and damages.
8. No facts are alleged to show that plaintiff sustained any damage or injury as the proximate result of any negligence or breach of duty on the part of the defendant.
9. For that there is a misjoinder of causes of action.
10. For that there is a misjoinder of parties plaintiff.
11. For that there is a misjoinder of parties defendant.
12. It is not alleged with sufficient certainty where said accident occurred.
13. For aught that appears, plaintiff had no right to be where he was at the time and place of said accident.
14. It is not alleged that the negligence complained of proximately caused the accident, the injuries and damages complained of.
15. The averments thereof are conflicting and repugnant.
16. For that no causal connection appears between the defendant's alleged negligence and the injuries and damages complained of by the plaintiff.
17. For that the allegations of said count are ambiguous.
18. For that the allegations of said count are argumentative, vague and uncertain.
19. It is not alleged that the willful or wanton conduct complained of proximately caused the accident, the injuries and damages complained of.
20. For that the facts averred in said complaint do not constitute willful or wanton negligence.
21. For aught that appears from said complaint, plaintiff's injuries and damages were not the direct and proximate result of any willful or wanton negligence on the part of defendant in this cause.
22. It is not alleged that the defendant willfully or wantonly injured the plaintiff.
23. For that the willful or wanton conduct complained of is but a conclusion of the plaintiff with no facts alleged in support thereof.
