whole truth, and nothing but the truth, the said
doth depose and say as follows:
MILY WYNE , THE COMPLAINANT AND A WITNESS FOR THE COMPLAINANT TESTIFESS AS FOLLOWS:-
of Emily Wynne, compleinant, we Frent Wynne, defendant, now pending in the Circuit Court, equity side, State of Alabama, Beldwin County. Lam twenty (20) years of age and am a bone fide resident of Elberte. Beldwin Cou Mty, Alabama, and have been such sesident for more than one 9(1) year next immediately preceding January 24th. 1994; that the sebuve named defendant is over the age of twenty one (21) years and his present whereabouts, residence and address are unknown to me and could not and cannot be ascertained after deligent inquiry on my part, he heaving Elberta about June, 1925, and has not been heard from since. I am informed and believe and state on such information and belief that he is a new resident of the State of Alabama and was, lefter and at the time of the institution of this cause. When he left on the above named date he stated that he was going to Louisiana.  I and the said defendant were married on February 19th., 1925, in the city of New Orleans, Lav., This marriage took place in Gretna, Jefferson Parish, La., Upon our marriage we returned to our home at Elberta, where my parents, Mr. Frank Bour and Mrs. Victoria Bour resided. We only lived to gether for about four (4) months and this on account of the cruel and inhiman treatment at the hands of my busbane which was all caused by my refusing to dispose of all of my property after he had used up the first monies I had given him from the sale of
my property. He absolutly refused to work and would make no effort to provide anything for me by way of necessities of life but on the contrary we lived entirely on what money I had saved from my earnings and on what my parents provided for us. When I refused to sell all of my property he would become enranged and lose his temper and would threaten me. Just about two or three days before he lift and while we were at dinmer in the home of my parents he again demanded that I sell my property so he could use the money and when I refused he became violently enraged, threatened to get even with me and got up out of his chair in this rage but was stopped by my father who was there.  I was not in good health at this time and by reason of his violent fits of temper I was made ill and was confined to bed. His conduct was such that I constantly feared that he would carry out some of his threat and on account of this and my refusal to give him my property, we had to separate.

After this attempt on his part he never quited down but was mad and enraged up to the time he left a day or so later. I gave him no cause or excuse for such donduct. Owing to my condition at the time I had rea sonable apprehention of injury to my health. He has never returned to live with me since that time Emily Bour FRANK BOUR A WITNESS FOR COMPLAINANT TESTIFIES AS FOLLOWS:-Myname is Frank Bour, I am 47 years of gage. I am the father of Emily Wynee, I reside at Elberta, Baldwin County, Alabama where I have lived for more than a year and a half, but also lived here before for several year, owning property and running afarm there. several year, owning property and running afarm there.

Emily Wyone is twenty years of age and is a bone fide resident of Elberta, Baldwin County, Alabama and was on January 24th., 1927 she has been suchna resident for morethan one year next immediately preceding Jan ary 24th., 1927, the time she filed her bill for divorce. Her husband, Frank Wynne is over the age of twenty one years and his whreabouts and address now and on January 24th., 1924 were and are unknown to me; when he left however, in June, 1925, he stated that he might go to Louisiana. Louisiana. Upon this information and belief I state that he is a nonresident of the State of Alabama. Emily and Frank Wynne were married in February, 1935 but not at our home, I was not present when they married but about the middle of February, 1923, they both come to our home in Elberta as man and wife and lived and cohabiteted as such. They lived together about four months at my home, during this time Frank Wynnee absolutely refused to work or do anything toward supporting his wife, all they had to live on was what little money she had saved before their marriage and on what I gave them in my home. Frank Wyne was constantly urging her to dispose of the rest of her property and turn the money over to him this she refused to do, demanding that he go to work as he should. During these months that he was at my home and on account of her urging him to work and not giving him her property he would go into fits of temper, become enraged and threaten his wife. On one occasion, at dinner in my home, I and my wife being present, he again demanded that she give him her property and when she refused, he made threats against her and made an attempt on her but I They lived together about four months at my home, during this refused, he made throats against hor and made an attoppt on her but I stopped him right there. I stayed right with him during this time and he left the house. He never got over this but continued to make threats and stating that he would get even and the like. My daughter, his wife, was in bad health and that time and this put her in bed and made her sick. Her condition was such that this conduct was liable to cause serious injury to her health. I feared for her health to such an extent that I even gave him money to quiet him. His conduct was such, in view of the condition of his wife, she being in bed, that I feared for her health. I know of no reason or excuse he had for treating her as he did. He has never returned to live with her since that time nor have we heard antyhing of or from him. trank Bour MRS.
