

337

THE STATE OF ALABAMA, BALDWIN COUNTY.

IN CIRCUIT COURT, IN EQUITY.

JAMES K. WALLACE, Complainant

vs.

CONSTANCE KERR WALLACE, Defendant

Oral examination before the Register of the following witnesses:

James K. Wallace, the complainant,

who reside in Alabama, said examination being conducted in Bay Minette Alabama,

on this the 13th day of October, 1922, and there being present

Solicitors for Complainant

The said witness being first sworn to speak the truth, the whole truth and nothing but the truth, testified as follows:

My name is James K. Wallace and I am the complainant in the cause of James K. Wallace, Complainant -vs- Constance Kerr Wallace, Defendant, numbered 337 and now pending in the Circuit Court-Equity Side, State of Alabama, Baldwin County. I am over the age of twenty one years, being 39 years of age. I am a bona fide resident of Baldwin County, Alabama, which has been my place of residence continuously since the year 1913. At this time I am temporarily stationed at Townsend Georgia in the employ of the United States Government connected with the War Finance Corporation. My residence ~~xxxxx~~ has always been in Baldwin County, Alabama since 1913 and up to the filing of my bill for divorce and at this time, by reason of the nature of my work I am stationed at different places from time to time, both within and without this state.

The defendant, Constance Kerr Wallace, who is my wife, is also over the age of twenty one years, being about 36 years of age. The defendant is a non-resident of the State of Alabama. When I last

saw the defendant was in New Orleans and this was in the early part of 1919 and from New Orleans I learned that she had gone to California but I could not learn her specific address. About one year later I received a letter from the defendant from Oceanside California but I could not learn her specific address. In this letter she requested that money be sent her; this was sent by me by P. O. Order in the sum of forty dollars; this letter, after going through the dead letter office was finally returned to me; she never having received the same. Since that time and up to this time I have made diligent inquiries in an effort to ascertain her address but without avail; I believe from these facts that she is still a non-resident of this state.

I and the said Constance Kerr Wallace were married at Mobile, Alabama on November 24th., 1913, to the best of my recollection. We lived together as man and wife until the early part of 1919, about March of that year, when the defendant voluntarily deserted and abandoned me without just cause or legal excuse; I had gone on a trip to Memphis on Government work and on my return found that she had gone to California as above stated.

This last abandonment by the defendant was the second one by her; about the latter part of 1914 or the early part of 1915, while we were still residing in Baldwin County, Alabama, she went to New Orleans to visit ~~her relatives~~ ^{friends} and never returned; I then went in the Government service and was sent to New Orleans where she came back to me after hearing that I was there. I took her back on this occasion.

Since her abandonment of me in 1919, I have never heard from her with the exception of the one letter above referred to relative to the request for money; she has never returned to live with me since that time. She has continued to abandon me for more than two years before I filed my bill for divorce. I know of no reason that she had for leaving me as she did.

James K. Wallace
