STATE OF ALABAMA

COUNTY OF MOBILE

Personally appeared before me, Bessie H. Fisher, a Notary Public in and for said County and State, M. T. Gough, who is known to me and who being by me first duly sworn, deposes and says as follows:

"My name is M. T. Gough and I am the Office Manager of the office of Crane Supply Company, a corporation, in Mobile, Alabama. The records of the account of Jack M. Ponder, individually and doing business as Ponder Company, are kept under my personal supervision and control and the amount owed Crane Supply Company by the said Jack M. Ponder, individually and doing business as Ponder Company on said account is One Thousand Three Hundred Twenty ~~Seven~~ **FOUR** **33** **1324.33** **MJE** and ~~21~~ **33**/100 (~~\$1,327.33~~) Dollars, together with interest thereon. The attached itemized account of Jack M. Ponder, individually and doing business as Ponder Company is just, true and correct and represents purchases by Jack M. Ponder, individually and doing business as Ponder Company for plumbing and heating supplies on the dates and in the amounts shown on such itemized account. Said account is not subject to any credit, claim of set-off or recoupment other than is shown, either by law or in equity."

Dear Mrs. Duck:

We enclose herewith an amended complaint which
we would appreciate your filing in the above styled case.

Very truly yours,

Charles B. Bailey, Jr.
Charles B. Bailey, Jr.

STATE OF ALABAMA

COUNTY OF MOBILE

Personally appeared before me, Bessie H. Risher, a Notary Public in and for said State and County, M. T. Gough, who is known to me and who being by me first duly sworn, deposes and says as follows:

"My name is M. T. Gough and I am the Office Manager of the office of Crane Supply Company, a corporation, in Mobile, Alabama. The records of the account of Jack M. Ponder, individually and doing business as Ponder Company, are kept under my personal supervision and control and the amount owed Crane Supply Company by the said Jack M. Ponder, individually and doing business as Ponder Company on said account is One Thousand Seven Hundred Twenty Seven and 34/100 (\$1,727.34) Dollars, together with interest thereon. The attached itemized account of Jack M. Ponder, individually and doing business as Ponder Company is just, true and correct and represents purchases by Jack M. Ponder, individually and doing business as Ponder Company for plumbing and heating supplies on the dates and in the amounts shown on such itemized account. Said account is not subject to any credit, claim of set-off or recoupment other than is shown, either by law or in equity."

M T Gough

1. The first step is to identify the key components of the system. This involves understanding the hardware and software involved, as well as the data flow and the interactions between different parts of the system.

2. The second step is to define the requirements for the system. This includes identifying the functional requirements, the performance requirements, and the security requirements.

3. The third step is to design the system architecture. This involves determining the overall structure of the system, including the components, the interfaces, and the data flow.

4. The fourth step is to implement the system. This involves writing the code, configuring the hardware, and testing the system.

5. The fifth step is to maintain the system. This involves monitoring the system for problems, updating the system as needed, and providing support to users.
