HAROLD N. COOPER and
HARRY COOPER,
Defendants.

IN THE CIRCUIT COURT OF

BALDWIN COUNTY, ALABAMA

AT LAW No. 4173

Come the Defendants in the above styled cause and for plea to the complaint filed therein and to each and every court thereof, separately and severally, say:

FIRST: Not guilty.

SECOND: That at the time and place and in the same accident alleged in the said complaint, the Plaintiff was herself guilty of negligence which proximately contributed to the alleged damages to her automobile in that she so negligently operated her motor vehicle as to cause or allow the same to be following too closely the motor vehicle immediately in front of her automobile.

THIRD: That at the time and place and in the same accident alleged in the said complaint, the Plaintiff was herself guilty of negligence which proximately contributed to the alleged damages to her automobile in that she so negligently operated her motor vehicle as to cause or allow the same to strike the vehicle immediately in front of her automobile.

FOURTH: That at the time and place and in the same accident alleged in the said complaint, the Plaintiff was herself guilty of negligence which proximately contributed to the alleged damages to her automobile in that she so negligently operated her motor vehicle by failure to give the necessary and required signal to the motor vehicles in the rear of her automobile that she was stopping her car, thereby negligently operated her motor vehicle in such a manner, at the time and place alleged in the complaint and thereby contributed to her own damages to her automobile, hence she should not recover of the Defendants in the amount sued for in the complaint.

I hereby certify that I have on this the 17th day of June, 1960, sent a true and exact copy of the foregoing pleading by United States Mail, postage prepaid, to James R. Owen, Esquire, Bay Minette, Alabama, attorney of record for the Plaintiff.
